**MISSIONS & OUTREACH**

Urban Impact (UI) has been chosen as a major mission partner by our Missions & Outreach Committee. The Missions component of our commitment to UI provides funding to support member Josh Gerdes as an urban missionary.

The Outreach side of our support involves our congregation—YOU!

There are many ways that we can support UI with our time and talents. Check the bulletin boards in the Narthex, Parish Hall or Coat Room Entrance for current info.

**Literacy Support Program**

Urban Impact Literacy Support is an in-school program that provides one-on-one tutoring for reading, writing, and spelling to students in K-2nd grade at a North Side public school. It's a 2-hour commitment, one day a week (Monday-Thursday) where you not only grow these students academically but get a chance to build God-centered relationships. No education background needed, however we do offer trainings throughout the year to better equip our volunteers. For more information please talk to Rachel Stojkovic today after the service, or contact Amelia Shuppy at [amelia.shuppy@uifpgh.org](mailto:amelia.shuppy@uifpgh.org) or 412-515-6743. Come join us as we impact lives on Pittsburgh's North Side!

 **The Anglican Relief and Development Fund** | **States of Emergency Called in SC, NC, VA**

The ARDF offers tangible hope and help to those in need. By supporting the local church, leaders on the ground—in the neighborhood—are able to offer practical and spiritual help, developing relationships that don't end when the disaster does.

**Bible Study Fellowship**

Join other men & women (separate classes are held for each) in a small-group discussion of the lesson and learn from a teaching leader how the truths of Scripture can be applied to daily life. You will leave class with comprehensive lesson notes, which teach further on the passage you studied, and lesson questions for the following week.

The series this fall & winter will focus on the People of the Promised Land

Advance registration is appreciated, but not required. There is no cost for the class or materials. A freewill offering is taken at the end of every class, which is applied to program costs.
